PIVOT POINT LAB

Informed by customer feedback we're making some improvements to the way that Pivot Point Lab resources can be accessed by educators and learners alike.

From 2025/26, a simple new pricing and billing structure will take effect to enable better planning and availability of resources:

Learner Licenses
New flat rate of £30 per student, with no minimum purchase cost.
Educator Licenses
£299 for the first Educator and £50 for each additional Educator. One free educator license with every 12 learner licenses purchased.
Easier Transactions – only pay for the licenses you use
Following feedback, Pivot Point Lab licenses can now be purchased as part of the learner registration process with our hairdressing, barbering, beauty and nails qualifications.

Here's an example of how this will work:

- Summer: Complete a simple, registration of intent form to let us know how many learner licenses you'll need.
- September: Using the link provided, set up your individual learner accounts to gain immediate access to resources.
- November: Register your learners as normal on a Pivot Point eligible qualification. The cost of Pivot Point will be included in your invoice. Register your learners as normal on a Pivot Point qualification package. The cost of Pivot Point will be included in your invoice and will take into account any reduction in learner numbers from the registration of intent form.
