1. Logging in and password reset

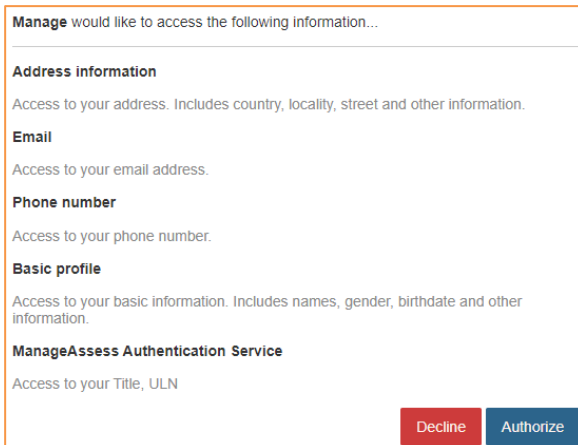

- a. To log in to ManageAssess access the [login page](#).
- b. Enter your login credentials and select 'Sign in'.
 - i. Your login credentials will have been supplied to you via email or in person by your tutor.

The screenshot shows a login form with two input fields and a button. The first field is labeled 'Username' and contains the placeholder text 'Please enter your email...'. The second field is labeled 'Password' and contains the placeholder text 'Please enter your password..'. Below the fields is a blue button labeled 'Sign in'.

- c. Upon first login you will be prompted to create a new password.
- d. You will need to authorise access to ManageAssess on the next screen. You will only need to perform this action once.

If you decline then you will be unable to access ManageAssess.

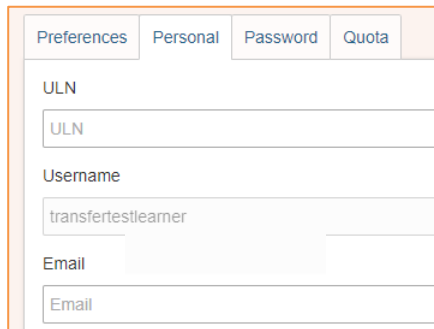

The screenshot shows an authorization screen titled 'Manage would like to access the following information...'. It lists four categories of information: 'Address information' (Access to your address. Includes country, locality, street and other information.), 'Email' (Access to your email address.), 'Phone number' (Access to your phone number.), and 'Basic profile' (Access to your basic information. Includes names, gender, birthdate and other information.). Below these is 'ManageAssess Authentication Service' (Access to your Title, ULN). At the bottom right are two buttons: 'Decline' (red) and 'Authorize' (blue).

- e. After logging in, you can check and/or add an email address. Having an email address within the system will mean you can reset your password anytime:
 - i. select your name link in the top right of the screen

The screenshot shows a dark blue horizontal bar with two links: 'Transfer' and 'Student' with a user icon to its right.

- ii. select the 'Personal' tab and check and/or add your email address

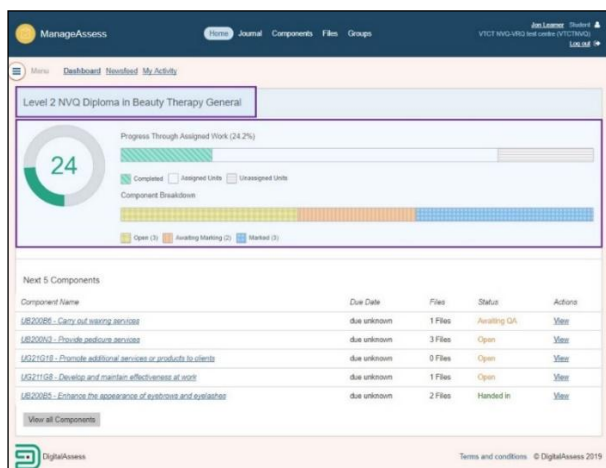

- f. Providing you have an email address associated with your account then you can reset your password anytime via the ManageAssess [login page](#).

Forgot your password? You can reset it here.

4.3.Hand-in

You can hand-in a unit to your tutor. It is not mandatory to hand-in units – you should discuss the use of this feature with your tutor.

NB: Handing in a unit locks it down and prevents you from interacting with it.

Your tutor can also hand-in a unit to their Internal Quality Assurer for the next stage of marking. Again this will lock it down and prevent you from interacting with it.

- a. To access the Evidence Record, from your Home page select ‘View’ for the component (unit) that you want to access.

Component Name	Due Date	Files	Status	Actions
UHB26 - Develop and maintain your effectiveness at work	due unknown	0 Files	Open	View
