1. VTCT Skills Centre Qualification Requirements

Welcome to the guidance for VTCT Skills qualifications. VTCT Skills provides regulated qualifications under the VTCT, VTCT Skills and iTEC brands. iTEC operates as the trading name of Education & Media Services Ltd (EMS), which is a wholly owned subsidiary of VTCT. This information is provided to ensure that centres fully understand the qualification requirements and the necessary resources.

1.1. General centre recommendations

While the centre is not expected to have the full range of specialist equipment for all sectors, you must have the equipment relevant to the Sectors and Categories you wish to offer, for your application to be approved.

Requirement	Evidence
<ul style="list-style-type: none"> • Separate theory and practical rooms (or separated area within same room) • Sufficient appropriate facilities to accommodate the proposed learner numbers (theory and practical classes and appropriate changing areas, lockers, etc. (see further detail in relevant category section.)) • A designated training facility, i.e. not in a house or hotel unless specifically and permanently used for training only • Sufficient cleaning equipment (cloths, dustpan, brushes etc.) and suitable and safe chemical mixing and storage facilities • A washbasin/sink in the training room • Washable flooring <p>iTEC Only</p> <ul style="list-style-type: none"> • Practical rooms with sufficient space for students to move freely around the couch (3m x 2m per workstation) used for training only • 10 couches, 10 trolleys 	<p>Observation during the approval visit and photographic evidence and floor plan.</p>

2. Sector

2.1. Hairdressing and Beauty

Level	Category: Foundation tier	Staff requirements	Recommended Equipment Requirements
Entry level 1-3	Hairdressing and Beauty	<p>It is recommended that teachers or assessors hold or are working towards an assessor or teaching qualification, although this is not a formal requirement.</p> <p>It is recommended that staff responsible for quality assurance within centres, hold an Internal Quality Assurance qualification, although this is not a formal requirement.</p>	<p>All treatment/service areas must have hand washing facilities with hot and cold running water.</p> <p>Some units can be delivered in a classroom setting and some units must be delivered in a hair and/or beauty bespoke training salon or a realistic salon.</p> <p>Definition of a classroom – desks/work area, whiteboard/smart board, computers/access to internet, books, magazines and stationery resources.</p> <p>Requirements of a training salon – desks/work area, whiteboard/smart board, computers/access to internet, books and magazines, salon equipment.</p> <p>For hairdressing units – back/front basin, hood driers, work station, client chairs, wall/workstation mirror, work trolleys, back mirror, hair products, tools and small equipment, towels.</p> <p>For beauty units – stool/chair/couch, trolley/work surface, lined bin, bowl, mirrors, towels, products suitable for facials, manicures, pedicures and make-up.</p>

			<p>Requirements of the realistic salon to include:</p> <p>Reception area, back basins, hood driers, work stations, client chairs, wall/workstation mirrors, work trolleys, back mirrors, hair products, beauty products, beauty couches, beauty stools, screens (in beauty) tools and electrical equipment e.g. hair straighteners.</p>

2.8. Health and Social Care

Level	Category: Children & Young People	Staff requirements	Recommended Equipment Requirements
Level 1	Children and Young People	While the Assessor and the Internal Quality Assurance (TAQA) units are valued as qualifications for centre staff, they are not currently a requirement for this qualification. It is strongly recommended, however, that staff must be able to show occupational competence, through mapping their competences and knowledge against the relevant NOS and the assessor and verifier requirements.	Access to suitable classroom and delivery resources.
Level 2 - 5	Children and Young People	Assessors and internal quality assurers must hold the relevant qualifications (D32, D33, A1, A2 or Level 3 TAQA for assessors and D34, V1 or Level 4 TAQA for internal verifiers), or be working towards an appropriate TAQA qualification. Centre staff should have verifiable relevant experience and current knowledge of the occupational working area at, or above, the level they are assessing or verifying.	Centres must possess the physical resources needed to support the delivery of the programme and the assessment of knowledge and skills, which should therefore be of industry standard.
