/// Accreditation

ITEC accredited courses are developed and owned by training providers and employers and delivered by employers or independent training providers. They are validated and certified by ITEC.

It is an opportunity for centres to develop and deliver new CPD courses or enrichment courses either standalone or alongside their ITEC or VTCT Skills portfolio.

Course accreditation is for employers and training providers all over the world who want to deliver niche and specialist training which meets the needs of their business, industry sector or local region. Our service helps businesses to increase profitability and achieve sustainable growth through investing in accredited and specialist up-skilling.

iTEC Centres

For all iTEC centres, we have a minimum cohort fee of £1,200. The fee for iTEC qualifications is based on the requirement for a practical examination. Your centre will be invoiced for the difference between your booking and the minimum cohort fee of £1,200.

VTCT Centres

For VTCT international centres, the amount of the minimum expenditure is £2,700. We have identified that VTCT's international customers frequently spend in excess of this amount but face a challenge of scheduling and paying for each EQA visit separately. By introducing an annual minimum expenditure, and removing the separate charges for EQA visits, we hope to greatly improve the customer experience and increase efficiency for all parties. A pro-forma invoice will be issued in January of each year. Customers will be asked to pay the amount of £2,700 to VTCT at the beginning of each academic year, to be held on account. Any invoiced expenditure throughout the year will then be offset against this payment. This payment is non-refundable. Once the £2,700 balance on the account has been 'used', centres will then be invoiced for any registrations/booking fees incurred with the usual 30 day payment terms.

Dual Branded Centres

Any international centre that wants to offer both iTEC & VTCT qualifications will be required to meet a minimum expenditure of £2,700. Only spend which results in an invoice directly to your VTCT provision can contribute to your minimum expenditure requirement. All iTEC qualifications will be invoiced as per the iTEC minimum cohort fee (see above). Please note: Invoices relating to practical bookings will not contribute towards VTCT minimum expenditure due to their different quality assurance arrangements.

/// Service Fees and Annual Fees

Practical Exams Window Timeline

Practical exam bookings must be made 12 weeks prior to the Practical Exam date. Registrations of learners on the exams must be completed 8 weeks prior to any Exam date. Any changes to learner registrations after 6 weeks prior to the Practical Exam date will incur additional charges. Invoices need to be settled 6 weeks prior to Practical Exam date.

Learner Registration Fees

A qualification and registration fee is charged for each learner based on the number of qualifications they take in one exam window. Details about the learner registration fee can be found on page 41.

/// PIVOT POINT LAB

Informed by customer feedback we're making some improvements to the way that Pivot Point Lab resources can be accessed by educators and learners alike.

For 2025/26, a simple new pricing and billing structure will take effect to enable better planning and availability of resources:

Learner Licenses

New flat rate of £30 per student, with no minimum purchase cost.

Educator Licenses

£299 for the first Educator and £50 for each additional Educator. One free educator license with every 12 learner licenses purchased.

Easier Transactions – only pay for the licenses you use

Following feedback, Pivot Point Lab licenses can now be purchased as part of the learner registration process with eligible VTCT Skills hairdressing, barbering, beauty and nails qualifications:

Here's an example of how this will work:

- Summer 2025: Complete a simple, registration of intent form to let us know how many learner licenses you'll need.
- September: Using the link provided, set up your individual learner accounts to gain immediate access to resources.
- November: Register your learners as normal on a Pivot Point eligible qualification. The cost of Pivot Point will be included in your invoice.

Register your learners as normal on a Pivot Point qualification package. The cost of Pivot Point will be included in your invoice and will take into account any reduction in learner numbers from the registration of intent form.
