/// Accreditation

ITEC accredited courses are developed and owned by training providers and employers and delivered by employers or independent training providers. They are validated and certified by ITEC.

It is an opportunity for centres to develop and deliver new CPD courses or enrichment courses either standalone or alongside their ITEC or VTCT Skills portfolio.

Course accreditation is for employers and training providers all over the world who want to deliver niche and specialist training which meets the needs of their business, industry sector or local region. Our service helps businesses to increase profitability and achieve sustainable growth through investing in accredited and specialist up-skilling.

/// Service Fees and Annual Fees

Annual Fees

An annual approval fee of €950 is charged per annum, billed in August. Centres with an annual spend in the previous year above €10,000, and centres in their first year of approval are exempt from this fee.

For centres defined as schools by the Education Act 1997 delivering secondary education to learners aged 14 to 18, the annual fee is €450.

Minimum booking fee for practical examinations

ITEC Centres: For all Ireland ITEC centres we have a minimum cohort fee of €900. The fee for ITEC qualifications is based on the requirement for a practical examination. Your centre will be invoiced for the difference between your booking and the minimum cohort fee of €900 in Ireland.

Practical exams window timeline: Practical exam bookings must be made 12 weeks prior to the practical exam date. Registrations of learners on the exams must be completed 8 weeks prior to any exam date.

Any changes to learner registrations after 6 weeks prior to the practical exam date will incur additional charges. Invoices need to be settled 6 weeks prior to the practical Exam date.

/// PIVOT POINT LAB

Informed by customer feedback we're making some improvements to the way that Pivot Point Lab resources can be accessed by educators and learners alike.

For 2025/26, a simple new pricing and billing structure will take effect to enable better planning and availability of resources:

Learner Licenses

New flat rate of €35 per student, with no minimum purchase cost.

Educator Licenses

€349 for the first Educator and €58 for each additional Educator. One free Educator license with every 12 learner licenses purchased.

Easier Transactions – only pay for the licenses you use

Following feedback, Pivot Point Lab licenses can now be purchased as part of the learner registration process with eligible VTCT Skills hairdressing, barbering, beauty and nails qualifications:

Here's an example of how this will work:

- Summer 2025: Complete a simple, registration of intent form to let us know how many learner licenses you'll need.
- September: Using the link provided, set up your individual learner accounts to gain immediate access to resources.
- November: Register your learners as normal on a Pivot Point eligible qualification. The cost of Pivot Point will be included in your invoice.

Register your learners as normal on a Pivot Point qualification package. The cost of Pivot Point will be included in your invoice and will take into account any reduction in learner numbers from the registration of intent form.
