| >150                                 | <b>£131.00</b> |

## ANNUAL FEE

An annual approval fee of £850 is charged per annum, billed in August. EPA-only centres, centres with an annual spend in the previous year above £10,000, and centres in their first year of approval are exempt from this fee.

For centres defined as schools by the Education Act 1997 delivering secondary education to learners aged 14 to 18, the annual fee is £350.

Additionally, there is a minimum cohort fee of £600 for centres offering Level 4 & 5 Beauty Aesthetic qualifications. If the minimum fee is not met by the number of students being examined, the difference will be invoiced to meet the £600 value.

## PIVOT POINT LAB

Informed by customer feedback we're making some improvements to the way that Pivot Point Lab resources can be accessed by educators and learners alike.

From 2025/26, a simple new pricing and billing structure will take effect to enable better planning and availability of resources:

### **Learner Licenses**

New flat rate of £30 per student, with no minimum purchase cost.

### **Educator Licenses**

£299 for the first Educator and £50 for each additional Educator. One free educator license with every 12 learner licenses purchased.

### **Easier Transactions – only pay for the licenses you use**

Following feedback, Pivot Point Lab licenses can now be purchased as part of the learner registration process with our hairdressing, barbering, beauty and nails qualifications.

### **Here's an example of how this will work:**

- Summer: Complete a simple, registration of intent form to let us know how many learner licenses you'll need.
- September: Using the link provided, set up your individual learner accounts to gain immediate access to resources.
- November: Register your learners as normal on a Pivot Point eligible qualification. The cost of Pivot Point will be included in your invoice. Register your learners as normal on a Pivot Point qualification package. The cost of Pivot Point will be included in your invoice and will take into account any reduction in learner numbers from the registration of intent form.
